

M-Fuge 2021

Dates: July 10th-17th

Cost: \$550

What is M-Fuge you might ask? Well it stands for Mission Fuge and it is the mission trip that our Highschool students will be going on this July.

We will be going to Tennessee to work with this camp. M-fuge gives your students a wide array of options to help serve the community their while also showing them how to bring that serving desire back home. During the week they will be split into groups with other churches to come together as the body of Christ to tackle multiple services during the week. These can be landscaping, carpentry, Recreation, day care, working with the elderly, etc.

We will also take a side trip to Dollywood before going to M-Fuge to have a day of fun and fellowship to bring in great energy for the week. We will also be staying at a church the first couple of days in Kingston, TN called First Baptist Church of Kingston (Brian Phipps home church). Be sure to contact Youth Director Brian to Sign up for this.

If the cost is an issue please talk to Brian. More info about Covid regulations will be sent out closer to the trip.
