

Single Event, Adult Volunteer

(Messiah Student Ministries)

These are some things I look for in Adult Volunteers. If you've got any questions, please let me know. I'm praying with you on this! Thank you so much for your time and consideration!

- An adult volunteer should be a believer who is growing and desiring to know God more.
- One who has a God-given burden for teens.
- One who has a Biblical, God-centered worldview.
- One who is not afraid of or inhibited from sharing that worldview with teens.
- One who is approachable, personable, and loving to those who come to them.
- One who is available for some student ministry activities; to chaperone, drive, and serve.
- One who holds a valid drivers license, proper insurance, and a good driving record. (If offering to drive)
- One who is willing to submit to a background check.
- One who is willing to work with the Pastors and Student Ministries Director in order to accomplish the mission and vision of the student ministry. (In short to help more teens fall more in love with Christ.)
- One who will follow the direction of the Pastors and Student Ministries Director. Bringing any questions or concerns to them first. And follow the Biblical example for resolving disagreements!
